REPORT

Date July 22, 1940

Subject Miss Lilo LINKE - Fifth Column Activities.

Made by D.S.I. Pitts. Forwarded by D.I. Crawford.

Information has been received from a reliable source in Panama that a Miss Lilo LINKE is under suspicion in Bogota, Colombia, South America of being a Fifth Columnist. She carries a letter of recommendation and introduction on the letterhead of the Co-ordinating Committee for Refugees, Bloomsbury House, Bloomsbury Street, London, W.C.1. She may carry other letters of recommendation. She presents herself as a pure Aryan who fled from Germany to England because she was not in accord with Hitler's policies. She states she is an authoress. Although the subjects of her books are not known it is believed that one of her volumes was critical of the Nazis.

This information is passed on for what it is worth so that the British and American authorities in Shanghai and/or elsewhere can take what action they deem fit.
